1905
COFFEE & KITCHEN

1905 is our busy in-store restaurant refurbished in recent years with a nod to the style of the Edwardian era in which the business was first established.

We take inspiration from traditional British and Cumbrian dishes as well as occasional influence from dishes derived from the Stollers' Eastern European heritage.

We are a true destination furniture store and 1905 remains a strong and exciting asset to our long-established brand.
